## Happenings

## SMART DRIVE SUCCESS STORY

On March 22, 2018 Heyl Driver, Jorge T. was pulled over by a State Trooper. The Trooper said he saw him talking on his phone, which Jorge denied. The Trooper went back to his car and wrote up a DOT inspection, citing him for use of a mobile device. The Trooper explained to him how he could fight it, and went back to his car. Jorge asked the Trooper to follow him to the truck and pointed out the Smart Drive camera. He stated the camera is "on" while the truck is moving, so he would be talking to his Safety Department. The Trooper walked away, only to soon return and ask Jorge for the papers back. He then re-wrote the inspection showing ZERO violations. The Trooper did not ask to see any video evidence, only said that he may have mistaken Jorge with another truck right behind him.

Jorge is grateful for having the Smart Drive cameras installed in his truck because they protected him from being written up for something he did not do.

If you have a Smart Drive Success Story or any other testimonial to share, please email it to [adam1@hey1.net](mailto:adam1@hey1.net).

*As a reminder, there is no PARK position in the automatic trucks. Make sure you are putting the truck in NEUTRAL and applying the PARKING BRAKE before you get out of the driver's seat.*

Heyl is looking for Driver Trainers to work with and train new CDL-A drivers! You will earn an additional 10 cents per mile during the first phase of training. During the second phase of training (team driving) you will be paid mileage on both yours and your trainee's miles.

## TRAINERS SHOULD:

- Have at least 6 months experience with Heyl
- No DOT accidents in the last 3 years
- Be willing to share your cab for up to 6-8 weeks

If you are interested in becoming a trainer please contact a member of our Training Team: Adam Loutsch (Akron), Tano Ochoa (Edinburg), or Chris Josten (Akron).

*\*\*Trainers must meet specific safety and service criteria to become approved.*
