HEY1 SOFTWARE UPGRADE

The month of November was a busy one as we continue to prepare for our upcoming transition to McLeod. Training was done with much of the office staff, and we will continue to practice and train in the new system for the remainder of the year until we go live on January 1st.

Highlights of the new system:

- The Heyl app is planned to be functional at some point during the first quarter:
 - View your preplan from the app
 - Start the OS&D process from the app
 - US Drivers will be able to view their payroll on the app
 - **Canadian Drivers will be able to see their gross pay and which trips are on each check using the app**
- More accurate tracking of trailer movements. Communication of empty trailer movements between the driver and operations will be very important to make this work. The end result will allow this process to be more automated than our current system.
 - We hope to have a "Test Tom Tom" unit set up soon at the Akron terminal soon so we can practice using the system.
- Easier management of home time from the operations standpoint—the system will allow us to create events which would prevent a truck from being sent in the wrong direction to better ensure you make it home on time for your days off.

This has been and will continue to be an exciting, yet challenging process as we approach and surpass our "Go Live" date. As we work with and learn the system in the office, we will also be providing any new updates and/or changes that will pertain to our drivers as timely as possible. We appreciate your patience leading up to and throughout this transition.

GET REGISTERED BLITZ

ATTN: ALL HEALTH PLAN MEMBERS

With the approach of cold and flu season, our health plan participants are encouraged to make use of the Teladoc system. It provides a way for plan members to call in and talk to a doctor without making an appointment or going to a clinic. Depending on your condition, doctor's can even arrange prescription pick up at the pharmacy of your choice. This service charges a reduced co-pay (\$20 as opposed to the \$40 office co-pay).

During the month of October we held a "Get Registered Blitz" to increase our enrollment, and have a chance to win a \$50 Heyl Store Gift Certificate. Thank you to everyone that participated — we doubled the number of employees enrolled!

Winners of the \$50 gift certificates were: **Jeff Huggins, Chris Josten, Dan Vega, Chris Gabaya, and Jeff Morehead**

If you have not enrolled for Teladoc you can still do so by calling 800-835-2362, going to the Teladoc website, or by downloading the Teladoc app.

HEYL RECEIVES TYSON PREMIER CARRIER AWARD

Bruce Koele, VP of Sales, recently traveled to Springdale, AR to attend Tyson Foods 1st Annual Carrier Conference. At the conference Bruce was presented Tyson's Premier Carrier Award. Heyl has been awarded this honor every year since 2012!

Hats off and **THANK YOU** to our drivers and staff that contribute to our continued success!

We ❤️ hey! Babies

Congratulations to John and Jacqueline Deangelis as they welcomed Hunter John on October 20th. Hunter has three siblings at home: Kaitlyn, Dakota and David.

John is an OTR Driver based out of our Zephyrhills terminal.

Congrats Deangelis Family!
